ClipFrame: **DELUXE**

Compasso features innovative design with new profile construction. It provides impressive flat presentation with architectonic clarity.

ClipFrame: **WINDOW**

In addition to wall-mount and hanging applications Clipframes can be mounted on shop windows as well. Window Clipframes enable both internal and external graphic visibility. They are affixed directly onto glass. The inside cover profiles guarantee aesthetic view from the shop as well.

POSTER STANDS

POSTER HANGERS

Poster Hanger: **POSTER SNAP**

Very stylish poster presentation. Excellent for hanging, wall-mount or shop window applications. The Poster Snap set consists of 2 aluminium snap profiles equipped with special anti-sliding rubber as well as 4 black end-caps and 2 metal ring hangers. The profiles are anodized in silver colour.

Poster dimensions:
Poster width: 16", 23", 33",
1', 2', 3', 4', 5', 6'
as well as custom sizes.

A-Board: **CLASSIC**

Very effective poster presentation. Excellent for outdoor applications. This very stable, free-standing, double-sided poster display is based on aluminium snap frame technique. A-Boards are shock resistant with stainless metal back panel and also weather resistant, with integrated water outflow holes in the bottom profiles of the frames. The included UV stabilized non-glare film protects your posters from bleaching out. Profiles are anodized in silver colour.

A-Board: **Deluxe**

A new generation A-Board. Excellent for outdoor applications. This very stable, free-standing, double-sided poster display is based on Compasso aluminium snap frame technique. A-Boards are shock resistant with stainless metal back panel and also weather resistant with waterproof poster protection. The included UV stabilized non-glare film protects your posters from bleaching out. Profiles are anodized in silver colour.

POSTER STANDS

Poster Stand: INFO-POLE

Innovative free-standing poster presentation system with optional brochure holder. The Info-Pole consists of sturdy aluminium construction and a Clipframe mounted on it. The Info-Pole is available with standard as well as custom size poster frames; in single or double-sided versions.
