

# COMPONENTS FOR HOOKS

## WIRE FORMS

**Straightened and Cut Wire with Ball-End Tips**

Stocked in bright basic plating quality wire in the variety of lengths and wire diameters shown.

Also available in polished galvanized wire. Certain minimums may apply. Call for quotation.

**Ball-End Wire with Leg**

Stocked in polished galvanized wire, in the variety of lengths and wire diameters shown.

Available in bright basic plating quality wire. Other bends and dimensions are also available. Certain minimums may apply. Call for quotation.

**Safety Loop with Legs**

Stocked in polished galvanized wire, in the variety of lengths and wire diameters shown. All hooks have turned down legs.

Available in bright basic plating quality wire. Other bends and dimensions are also available. Certain minimums may apply. Call for quotation.

### Custom Designs

If you require forms not shown below, we would be happy to quote on your requirements.

### Lowest Prices

Our completely automated high-speed manufacturing capabilities enable us to offer high quality wire forms at the lowest prices.

### Consistent High Quality

Stringent quality control insures that all products are uniform with regard to dimensions and up tilt.
