

# SLATWALL SPINNERS

Our lightweight, highly versatile PVC slatwall floor displays are available in three designs:

- Three sided triangle display
- Four sided cube display
- Four way display

All displays are shipped knocked down and are quickly assembled with tool free assembly in minutes.

Standard set up time is under 5 minutes per display unit. Displays are available with slats 1.25" or 3" wide. Standard slatwall groove accepts a wide range of slatwall hardware (available separately). Popular uses are: Retail or Tradeshow use as a Free Standing Literature Display, Point of Purchase Display, Post Card or collectibles rack. Standard colours: Black, White or Grey. A counter top model is also available on request.
